**NEED FOR CLARIFICATION REGARDING SCHEDULING ORDER**

---

The Powder River Basin Resource Council hereby files this response to the Environmental Quality Council's Scheduling Order ("Order") issued earlier today.

The Order states: "In the event the hearing cannot be completed by the end of the 14<sup>th</sup> the Council will schedule."

We ask for clarification of this sentence as it appears to be incomplete as to what the Council will schedule in the event the hearing cannot be completed on February 14th.

We also believe the last sentence regarding prehearing memorandum is missing the word "later."

Thank you in advance for clarifying the Order.

Dated this 2nd day of February, 2017.
