Terri A. Lorenzon, Director
Environmental Quality Council

Dear Terri,

The Lincoln County Government is requesting an expedited hearing, concerning a final determination the Department of Environmental Quality Solid and Hazardous Waste Division has made. We are appealing the department's determination and asking for a hearing in a timely fashion.

I am enclosing a copy of the letter sent to Lincoln County on March 5, 2007 regarding their determination. Lincoln County appealed their determination to the Water and Waste Water Advisory Board. The Advisory Board, in their response dated September 13, 2007, agreed with Lincoln County. Also, I am including a copy of the department's letter dated September 25, 2007, sent to Lincoln County following the advisory board's findings.

If the Environmental Quality Council agrees to hold a hearing on behalf of Lincoln County the County will provide you with support documentation. If you have any questions please call me at (307)877-2095.

Sincerely,

Bob Rawlings
Lincoln County Landfill Manager
