WYOMING DEPARTMENT OF ENVIRONMENTAL QUALITY'S RESPONSE
TO PAINTER ESTATES HOMEOWNER ASSOCIATION'S PETITION

Wyoming Department of Environmental Quality (DEQ), pursuant to the Wyoming Environmental Quality Council's (EQC) Response Order dated and filed April 28, 2009, hereby answers Painter Estates Homeowners Association's (Painter Estates) Appeal and Request for Hearing in the above-captioned matter.

Painter Estates filed a letter (petition) with the EQC simply stating that it "wishes to appeal the order and would like to request a hearing on the notice of violation and order, [DEQ] docket number 4437-09." That petition letter does identify the order being appealed, but it does not allege any facts on which the appeal is based or identify the basis for the appeal. Consequently, Respondent DEQ admits that it issued Notice of Violation & Order No. 4437-09 to Painter Estates, but generally denies any other, latent allegations in the petition letter.

DATED this 28th day of May, 2009.
