DOCKET NUMBER 4817-11

NOTICE OF VIOLATION AND ORDER

NOTICE IS HEREBY GIVEN THAT:

1. Mr. Lex Madden and Mr. Shawn Madden are the owners/operators of a livestock sale barn facility located in Torrington, Goshen County, Wyoming. Ongoing operations at the facility include the sale of livestock, video auctions, and holding pens for livestock.
2. Currently this facility has not operated as a designated Confined Animal Feeding Operation (CAFO). However, based on information obtained during past inspections and wet weather discharges that directly impact Torrington's waste water treatment facility, the Department of Environmental Quality requires the facility to apply for and receive a WYPDES discharge permit. This designation requires the submission of a WYPDES CAFO permit application and the development and implementation of a Nutrient Management Plan (NMP) as required under Wyoming Water Quality Rules and Regulations (WWQRR).
3. This Notice is being sent to you pursuant to W.S. 35-11-701(c)(i), which requires that in any case of the failure to correct or remedy an alleged violation, the director of the Department of Environmental Quality (DEQ) shall cause a written notice to be issued and served upon the person alleged to be responsible.

2. The owner/operator shall upon completion of the application request a meeting date with WQD to discuss a plan and schedule for full implementation of the CAFO permit. This meeting shall be held no later than 30 days after submittal of the permit application.

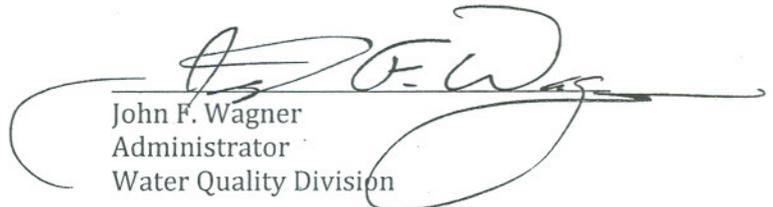

This ORDER is final unless, no later than ten (10) days after the date this notice is received; it is appealed by filing two written requests for a hearing before the Environmental Quality Council.
