

Department of Environmental Quality

To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.

Matthew H. Mead, Governor

Todd Parfitt, Director

MEMORANDUM

TO: Dr. David Bagley, Vice Chairman, Environmental Quality Council

FROM: Kevin Frederick, Administrator, Water Quality Division, DEQ *KF*

DATE: September 22, 2015

SUBJECT: Notice of Final Adoption of Water Quality Rules: Chapters 8, 13, 16 and 27

Please consider this memorandum as notice of final adoption of revised Water Quality Rules and Regulations. Chapter 8, Quality Standards for Wyoming Groundwaters; Chapter 13, Class I Hazardous Waste and Non-Hazardous Waste Wells Underground Injection Control Program; Chapter 16, Class V Injection Wells and Facilities Underground Injection Control Program; and Chapter 27, Underground Injection Control Program were modified in response to Governor Mead's streamlining government initiative. The revisions included moving the contents of Chapters 13 and 16 to new Chapter 27, editing redundant passages in Chapter 27, and repealing Chapters 13 and 16. The Department also made corrective revisions to Chapter 8, Section 6. Copies of chapters 8 and 27 and the certification page are enclosed.

The Environmental Quality Council adopted the revised rules at a public hearing in the Herschler Building, Room 1699, 122 W 25th Street, Cheyenne, Wyoming. The final rule was filed with the Wyoming Secretary of State on September 15, 2015.

If you have any questions concerning this rule adoption, please contact Gina Thompson at 307-777-7343 or at gina.thompson@wyo.gov.
