Dear Sirs,

Terri A. Lorenzon, Adm. Aide
Environmental Quality Council

Docket No. 2181-90

I would like to appeal the violation issued to me on October 15, 1990 and ask for a hearing before the Environmental Council. I do not fully understand the violation. I also have written several letters of which I have copies enclosed.

I would like time to find out if the corrective action act will be able to help me. If not, where I can go to obtain financial help in this matter. I would like in ordinary terms to know why this is considered a landfill. The letters that I have written should help me in finding out the answers to some of these questions.

I would appreciate any help that you can give to me or direct me to.

Sincerely,

Kelly B. Richards
