DOCKET NUMBER 3830-05

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number 3830-05 to M & K Oil Company (M & K) on December 2, 2005. The NOV alleged that M & K failed to submit discharge monitoring reports (DMRs) that were properly completed in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Order required M & K to submit all sample data from calendar years 2004 and 2005 to the WQD for review, and a plan of action to ensure all DMRs will be properly filled out in the future. Based on the April 6, 2006 letter, M & K has complied with the requirements of the Order for Docket Number 3830-05 and the DEQ finds that all terms have been satisfied.

Dated this 6TH day of April, 2006.
