SUBJ: Letter of Compliance, Notice of Violation (NOV) Docket Number 5537-15

Dear Mr. Boyle:

On March 24, 2015, NOV Docket Number 5606-15 was issued to Brad Hall and Associates, Inc. The NOV included an Order that required Brad Hall and Associates, Inc., to perform a minimum site assessment (MSA) at the Clearmont Bulk Plant. The NOV was affirmed by the Environmental Quality Council on May 19, 2015.

On November 23, 2015, Brad Hall and Associates, Inc., removed the tanks at the Clearmont Bulk Plant and analytical sampling was conducted at that time. For this reason, the DEQ Storage Tank Program now considers this NOV resolved.

If you have any questions regarding this matter, please do not hesitate to contact me at (307) 777-7097 or by email at [oma.gilbreth@wyo.gov](mailto:oma.gilbreth@wyo.gov).

Sincerely,

Oma K. Gilbreth IV  
Storage Tank Program Compliance Supervisor  
Solid and Hazardous Waste Division
