Thank you Jim. If this would allow the hearing to be held in Jackson, I am very supportive of pushing back the hearing to a later date. I would like to avoid the dates of the Western Governors Association meeting here in Jackson, as I am attending that event (June 11-13) and also will be out of the area from July 13- July 15th and July 28 -29th.

Perhaps scheduling on the heels of the WGA would work here in Jackson if your staff and elected are planning to attend the event. I believe this is an issue of significant interest to the Jackson Hole community and would be most appropriate to hold the hearing here.

Thank you for your consideration.

Please let me know what you decide.

Sincerely,

Sharon
