Jim: Holland & Hart represents Melody Ranch. This email will confirm our telephone conversation of earlier today during which I informed you that Melody Ranch does not wish to participate in the contested case hearing that will be held regarding RST Sand & Gravel's mining permit application in Teton County. I would appreciate it, however, if you would continue to allow me access to the docket for this matter so that I can monitor the status of the case and advise my client regarding the same. Thank you, Paula Fleck
