*To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.*

Matthew H. Mead, Governor

Todd Parfitt, Director

## MEMORANDUM

TO: Dr. David Bagley, Chairman, Environmental Quality Council  
Water and Waste Advisory Board  
Kelly Shaw, Senior Assistant Attorney General  
State Government Information Coordinator, State Library

FROM: Kevin Frederick, Administrator, Water Quality Division, DEQ 

DATE: August 4, 2016

SUBJECT: Notice of Final Adoption of Water Quality Rules: Chapter 24

Please consider this memorandum as notice of final adoption of revised Wyoming Water Quality Rules and Regulations. Chapter 24, Class VI Injection Wells and Facilities, Underground Injection Control Program, was modified to incorporate financial assurance requirements from W.S. § 35-11-313 and federal requirements found at 40 CFR 146.85; to incorporate liability insurance requirements from W.S. § 35-11-313; to incorporate conditions for conversion of other class wells to Class VI wells from W.S. § 35-11-313 and federal requirements found at 40 CFR 144.19; to incorporate federal conditions, found at 40 CFR 146.95, for a waiver of the requirement to inject below the lowermost underground source of drinking water (USDW); and to correct grammar and punctuation errors. A copy of Chapter 24 and a copy of the certification page are enclosed.

The Environmental Quality Council adopted the revised rules at a public hearing at Casper College, Strausner Hall, Room SH 217, 125 College Drive, Casper, Wyoming on June 15, 2016. The final rule was filed with the Wyoming Secretary of State on July 25, 2016.

If you have any questions concerning this rule adoption, please contact Gina Thompson at 307-777-7343 or at [gina.thompson@wyo.gov](mailto:gina.thompson@wyo.gov).
