re: Crossed Arrows Park Subdivision

Dear Jeff,

This letter is a follow up on our phone conversation regarding your letter of February 11, 1992.

Lee Christiansen died prior to your letter. I have not been involved with the physical aspects (water, sewer, etc.) of Vision Quest. That was Lee's responsibility.

I do recall him saying last fall that there was some problem with one of the leach fields there at the Crossed Arrows subdivision. John Deromidi, a local contractor, worked on it and fixed it.

I believe this has taken care of the problem you mention in your letter.

Thank you and please call if you have any questions.

Sincerely,

Steven A. Christiansen
