CERTIFICATE OF SURVEY

STATE OF WYOMING } ss
COUNTY OF PARK }

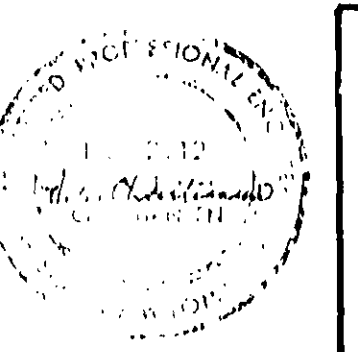

I, Michael L. Lund, a land surveyor registered in Wyoming by registration number 2667, hereby certify as follows: Between June 15, 1979 and June 10, 1980, the Crossed-Arrows Park Subdivision shown hereon was surveyed under my direction by Lance T. Christiansen, for whose work I stand personally responsible. The land surveyed is correctly shown in the owners certificate of dedication and the subdivision thereof is correctly shown on this plat which is drawn to the scale indicated. Dimensions are given in feet and decimals. Distances are given in decimal minutes and seconds of arc and are referred to the true meridian which was established from the East line of the southeast quarter of Sec. 32, T49N, R100W, which is 80°-26' according to the Government Resurvey Plat. I am familiar with the Park County Subdivision Regulations and believe this subdivision complies with them in every respect. Subdivision of sections, lots, or tracts into aliquot parts was done as required. Monuments shown and lot corners marking the survey were actually found or set as documented. The elements of the survey close to an accuracy of one part in five thousand or better.
