**ORDER OF CONTINUANCE**

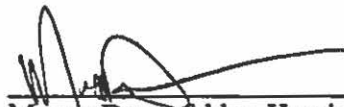

---

THIS MATTER came before the Environmental Quality Council through a joint motion from Petitioner Dave's Asphalt and Respondent Wyoming Department of Environmental Quality, Water Quality Division, (Parties) seeking a continuance of this matter to allow for settlement negotiations. The Council finds that such continuance will not prejudice the Parties and is likely to lead to an efficient resolution of this matter.

WHEREFORE, IT IS HEREBY ORDERED THAT:

This matter be continued until November 17, 2016, and that the Parties shall provide the Council with a joint update on the status of negotiations on or before November 15, 2016. Failure to provide a joint update will result in a scheduling conference being set for this matter.

DATED this 13 day of October, 2016.
