OBJECTOR FISHERS' IDENTIFICATION OF EXPERT WITNESSES

Jay A. Gilbertz, of the firm Yonkee & Toner, LLP, by and on behalf of Objectors Mary Brezik-Fisher and David Fisher, and pursuant to the Amended Order dated February 2, 2017, submits Objector Fishers' Identification Of Expert Witnesses.

Given the exceedingly short time frame established by the EQC's scheduling order which established on the afternoon of February 2, 2017 a deadline for the identification of all expert witnesses by no later than February 6, 2017, the Fishers have been unable to secure any review of the pertinent information or secure the agreement of any experts to testify in such a short period. Consequently, Fishers do not have any independent or retained experts to identify at this time.

However, Fishers do fully reserve the right to subpoena, call, examine and cross-examine any expert witness identified by any other party to these proceedings whether or not such party remains a party to this action at the time of the hearing or whether or not any such party elects to call a identified expert as a witness at the hearing. Fishers hereby adopt by reference as if fully set forth herein the identification of expert witnesses submitted by any and all other parties.

DATED this 6th day of February, 2017.
