Re: Site Access Reinstatement – Shoshoni Landfill

Mr. Dimick,

This letter has been drafted for the Fremont County Solid Waste Disposal District (District) in response to your letter dated July 6, 2016, regarding site access at the Shoshoni Landfill. Following review of your plan to address the issues that led to the revocation of your site access, it appears that you fulfilled the requirements and you are again permitted to use the Shoshoni Landfill during the established hours of operation.

If future issues should arise, your privileges can again be revoked. All waste haulers (i.e. commercial and private/self-haulers) are responsible for the waste they deliver to a site and to meet the requirements established by the District Rules and Regulations.

Please feel free to contact me at your convenience with any questions at (307) 332-7040.

Thank you,
