Hearing officer Docket #5748-17

I would ask that Mr. Nick Agopian be recused from the decision in our case. An hour into the hearing I heard Mr. Agopian say "I don't know why we are here, how long is this going to take?" We observed Mr. Agopian rolling his eyes several times when we would speak, he was receiving and sending either texts or emails on his phone during the hearing, and he left the hearing prior to it being over and I heard him say "I better leave before I say something I will regret." I believe his actions and words demonstrate that he is either biased or prejudiced against Good Bentonite Company, LLC.

Thank you,

Brian Good
