

Water Quality Rules and Regulations

Chapter 3, 8, 9, 11, 20, 25, and 26

EQC Docket 18-3102

Response to Comments

The Wyoming Department of Environmental Quality Water Quality Division proposes to revise Water Quality Rules and Regulations Chapter 3, Regulations for Permit to Construct, Install or Modify Public Water Supplies, Wastewater Facilities, Disposal Systems, Biosolids Management Facilities, Treated Wastewater Reuse Systems and Other Facilities Capable of Causing or Contributing to Pollution; Chapter 8, Quality Standards for Wyoming Groundwaters; Chapter 9, Wyoming Groundwater Pollution Control Permit; Chapter 11, Design and Construction Standards for Sewerage Systems, Treatment Works, Disposal Systems or Other Facilities Capable of Causing or Contributing to Pollution and Mobile Home Park and Campground Sewerage and Public Water Supply Distribution Systems; Chapter 20, Permitting, Design And Operation Standards, Confined Swine Feeding Operations; Chapter 25, Septic Tanks, Soil Absorption Systems, and Other Small Wastewater Systems; and Chapter 26, Well Construction Standards.

The Division published a public notice stating the intent to adopt rules in the Casper Star-Tribune on March 21, 2018. Notice was also provided to interested parties that were subscribed to the Division's electronic listserv and hard copy mailing lists.

No written comments were received during the 45-day public comment period, which ended on May 11, 2018.
