*To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.*

Matthew H. Mead, Governor

Todd Parfitt, Director

## MEMORANDUM

**TO:** Kelly Shaw, Wyoming Assistant Attorney General

**FROM:** Kevin Frederick, Water Quality Division Administrator *KF*

**DATE:** June 28, 2018

**PRIORITY:** HIGH – Deadline for response is July 12, 2018

**SUBJECT:** Request for review of proposed rules for statutory authority

The Department of Environmental Quality, Water Quality Division (WQD) is proposing to revise Water Quality Rules and Regulations Chapter 27, Underground Injection Control Program. The proposed revisions clarify financial assurance requirements for Class I hazardous waste and non-hazardous waste underground injection facilities and Class V coalbed methane produced water underground injection facilities. The financial assurance requirements proposed by the Division and authorized by SEA002 exceed the federal requirements at 40 CFR Part 144, as the federal requirements do not include financial assurance requirements for Class V facilities.

WQD presented the proposed revisions to the Water and Waste Advisory Board during their June 21, 2018 meeting. At the June 21, 2018 meeting, the Board recommended adoption of the rules to the Environmental Quality Council. WQD has reviewed the requirements of 35-11-302(a)(iii) and(iv) of the Wyoming Environmental Quality Act and has determined this rulemaking to be in procedural compliance with the statute. WQD has reviewed and responded to the Takings Checklist provided by the Attorney General's Office. WQD is now seeking a review of the proposed rules for statutory authority prior to submitting the rules to the Governor's Office for permission to proceed to formal rulemaking.

Per the Attorney General's Rules Handbook, you will find attached a copy of the draft memo to Governor Mead, a copy of the draft Statement of Principal Reasons for Adoption, copies of Chapter 27 in strike and underline and clean formats, and a response to the Attorney General's Takings Checklist. If you have any questions or need additional information regarding the proposed rules please do not hesitate to contact me or Lily Barkau of my staff.

### Attorney General's Response Options:

Proposed Rules are within the Division's statutory authority, may seek permission to proceed from the Governor's Office.

Proposed rules exceed statutory authority, delay proceeding with rulemaking
