
Proposed Revisions

Water Quality Rules and Regulations Chapter 27

Response to Comments: Comment Period Ending June 21, 2018

August 31, 2018

Prepared by:
Wyoming Department of Environmental Quality
Water Quality Division
Groundwater Section

RESPONSES TO CHAPTER 27 COMMENTS

Commenters:

Marjorie Bedessem, Water and Waste Advisory Board
Lorie Cahn, Water and Waste Advisory Board
Brian Deurloo, Water and Waste Advisory Board

John Robitaille, Petroleum Association of Wyoming

Comments and Responses

Marjorie Bedessem and Lorie Cahn, Water and Waste Advisory Board: Subsection (i) would be clearer if the comma after “Subpart F” was removed.

Department Response:

WDEQ/WQD has edited the passage as requested.

Marjorie Bedessem and Brian Deurloo: Include “reclaim” or “reclamation” in subsection (a) and subsection (c) for consistency between the two passages.

Department Response:

WDEQ/WQD has edited the subsections as requested.

Brian Deurloo: In Section 19(c)(i) WQD should extend the timeframe for submitting revised financial assurance cost estimates.

Department Response:

WDEQ/WQD has reviewed Water Quality Rules and Regulations Chapter 14, and has edited the revision deadline in Chapter 27, Section 19(c)(i) to sixty days, as discussed at the Water and Waste Advisory Board meeting.

Lorie Cahn: Section 19(c)(ii) should be clarified to indicate that the permittee will revise the cost estimate.

RESPONSES TO CHAPTER 27 COMMENTS

Department Response:

WDEQ/WQD has edited the paragraph as requested.

Brian Deurloo: In Section 19(i) WQD should clarify that the passage only applies to Class I permittees.

Department Response:

WDEQ/WQD has edited the paragraph as requested.

John Robitaille, Petroleum Association of Wyoming: The Petroleum Association of Wyoming supports the rulemaking.

Department Response:

WDEQ/WQD appreciates the Petroleum Association's support of the rule.
