

## The Wyoming Environmental Quality Council

The Wyoming Environmental Quality Council (EQC) will consider proposed revisions to the Wyoming Department of Environmental Quality (WDEQ) Solid Waste Rules and Regulations at a public hearing to be held on February 19, 2019 in Room 127 of the Hathaway Building, 2300 Capitol Ave., Cheyenne, WY, 82001, commencing at 9:00 a.m. (MST).

The Solid and Hazardous Waste Division, pursuant to the authority vested in it by Wyoming Statute (W.S.) § 35-11-503, proposes to revise Solid Waste Rules and Regulations Chapter 4, Construction and Demolition Landfill Regulations and Chapter 6, Transfer, Treatment, and Storage Facility Regulations. The proposed revisions consolidate and streamline permitting for construction/demolition waste landfills and solid waste transfer, treatment, and storage facilities. Additionally, the revisions update the rules to be consistent with current statutes and previously revised chapters of the Solid Waste Rules and Regulations. The revised rules meet minimum substantive state statutory requirements in accordance with W.S. § 16-3-103(a)(i)(G). The Department has evaluated the revised rules in accordance with W.S. § 9-5-304, and interested persons may inspect a copy of that evaluation and the proposed rule package at the following address: Department of Environmental Quality, Solid and Hazardous Waste Division, 200 W 17th Street, Cheyenne, Wyoming. Electronic copies are available at the EQC website identified below. Questions and requests for copies of the proposed rules may be directed to Suzanne Engels, Solid and Hazardous Waste Division, at (307) 777-5447 (phone) or [suzanne.engels@wyo.gov](mailto:suzanne.engels@wyo.gov) (email).

The EQC will consider the proposed rules, written and electronically filed comments, and WDEQ's Analysis of Comments, along with any modifications proposed by the WDEQ to the draft rules. At the public hearing, statements that focus on previously received comments, the WDEQ's Analysis of Comments, and issues raised by the analysis will be accepted. The EQC will determine if the record will remain open beyond the close of the scheduled hearing. The EQC may, however, close the record and make a final decision regarding the rules at the conclusion of the hearing.

Comments on the proposed revisions may be submitted beginning December 3, 2018 and ending at 5:00 p.m. (MST) on January 22, 2019. Written comments should be sent to the Wyoming Department of Environmental Quality, Solid and Hazardous Waste Division, 200 W 17th St, Cheyenne, Wyoming, 82002 or faxed to (307) 635-1784. Electronic comments may only be submitted through and accepted by the WDEQ comment portal provided at <http://wq.wyomingdeq.commentinput.com/>. The WDEQ will file an analysis of comments with the EQC five (5) days before the public hearing. The proposed rules, comments submitted, and the analysis of comments will be posted on the Council's website at <https://eqc.wyo.gov/Public/Dockets.aspx> under Docket #18-5103.

Any person wishing to use a digital presentation during their testimony before the EQC must provide a digital copy to the EQC no less than three (3) days prior to the hearing unless they contact the EQC and request an extension for good cause. Failure to submit a timely digital copy may result in the person not being allowed to use the presentation during their testimony.

In accordance with the Americans with Disabilities Act, special assistance or alternative formats will be made available upon request for individuals with disabilities.
