

**BEFORE THE ENVIRONMENTAL QUALITY COUNCIL
STATE OF WYOMING**

**IN RE BENTONITE PERFORMANCE)
MINERALS LLC) DOCKET 18-1601**

ORDER SETTING FINAL CONTESTED CASE HEARING

On January 16, 2019, the Council heard oral arguments on 2U Ranch, LLC's motion to dismiss, Bentonite Performance Minerals, LLC's (BPM) motion for summary judgment, and BPM's motion to limit testimony and evidence at the final contested case hearing.

Because 2U Ranch, LLC's motion to dismiss was denied and because BPM's motion for summary judgment was only partially granted, this case will proceed to a final contested case hearing. The final contested case hearing will begin at 9:00 a.m. on February 11, 2019, in room 100 of the Hathaway Building, 2300 Capitol Ave. Cheyenne, Wyoming. Two days are allotted for this contested case.

Each party shall file copies of all exhibits that it may or will introduce into evidence during the contested case hearing by 5:00 p.m. on February 6, 2019.

In addition, the parties may file motions to compel related to discovery conducted in this case. All motions to compel must be filed by 5:00 p.m. on January 17, 2019. Each party may file a response to a motion to compel by 5:00 p.m. on January 21, 2019.

SO ORDERED.

DATED this 17th day of January 2019.

John Corra, Hearing Examiner
Environmental Quality Council
