RE: Hazardous Waste Rules, Chapter 1, General Provisions, update by IBR

Dear Mr. Lenz:

On December 4, 2018, the Wyoming Department of Environmental Quality (WDEQ), Hazardous Waste Permitting and Corrective Action Program submitted for public comment the Hazardous Waste Rules, Chapter 1, General Provisions update using Incorporation by Reference (IBR). The public comment period ended January 22, 2019. During this time, there were no public comments received by the WDEQ or the EQC regarding these rules.

Please contact me at 307-777-8759 or [carol.stark@wyo.gov](mailto:carol.stark@wyo.gov) if there are any concerns regarding this matter.

Sincerely,

A handwritten signature in blue ink that reads "Jerry Breed".
