RE: Letter - Bentonite Performance Minerals, LLC Surface Owner Consent

Dear BPM:

Why does the reclamation plan that accompanied your letter "Bentonite Performance Minerals, LLC Surface Owner Consent" not include tree reclamation as requested by us in certified letter entitled "WSL 42804, Permit 267C amendment - tree restoration" that was sent November 13, 2017?

Sincerely,

  
\_\_\_\_\_  
Ronald J. Ericsson, PhD  
Manager
