**JOINT MOTION TO DISMISS CONTESTED CASE HEARING**

COME NOW, Riverside RV Park, LLC (“Riverside”), and the State of Wyoming, Department of Environmental Quality, Water Quality Division (“DEQ/WQD”) by and through their respective counsel, and hereby file this joint motion to dismiss the contested case hearing set in the above-captioned matter. In support of this motion, the parties state as follows:

1. On March 20, 2019, the DEQ/WQD issued Riverside RV Park, LLC a Notice of Violation and Order (NOVO), DEQ Docket No. 5908-19, ordering Riverside to take certain measures regarding unpermitted wastewater and greywater discharges and distribution of drinking water on Riverside’s property located near Douglas, Wyoming.
2. On September 21, 2019, the parties negotiated a settlement agreement and resolution of NOVO 5908-19.
3. Because Riverside and DEQ/WQD have amicably resolved NOVO 5908-19, the parties jointly move to dismiss the appeal of that NOVO. A proposed order is attached.

DATED this 9 day of December 2019.
