

BEFORE THE ENVIRONMENTAL QUALITY COUNCIL

STATE OF WYOMING

IN RE CITATION OIL AND GAS CORP.     )  
Dallas Dome Tank Battery             )     DOCKET 20-2601  
   )

On or about July 6, 2020 Citation Oil and Gas Corp. filed Petitions and Requests for hearing concerning Air Quality Permits P00275427, P00275428, P00275429, P00275430, P00275431, P002754232, and P00275433.

On July 7, 2020, the parties jointly requested, via email, that the Council stay the proceedings to give the parties an opportunity to negotiate a settlement in the matter. Based upon the email request the Council finds good cause to stay the proceedings in this matter until such time as the parties notify the Council that they have reached a settlement or that the parties are requesting that a hearing be set.

Therefore, the Department of Environmental Quality is allowed to not file a responsive pleading in the matter until such time as the parties request that the stay be lifted and the case set for hearing.

Further that the parties shall keep the Council apprised of the progress of the negotiations and shall submit either in writing or by oral presentation at a Council meeting the status of the negotiations. The first submittal shall be no later than November 18, 2020 unless otherwise notified by the Council.

After review of the pleadings and the stipulation, the Council finds that Docket 20-2601 should be and is hereby Stayed pending further notice from the parties.

SO ORDERED this 7<sup>th</sup> of July 2020.
