

Department of Environmental Quality

To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.

Mark Gordon, Governor

Todd Parfitt, Director

TO: Honorable Mark Gordon, Governor

FROM: Todd Parfitt, Director 
Department of Environmental Quality

SUBJECT: Proposed Rules for Wyoming Department of Environmental Quality,
Water Quality
Chapter 24: Class VI Injection Wells and Facilities, Underground Injection Control Program

DATE: January 26, 2021

PRIORITY: HIGH—Deadline for response is **February 9, 2021**

SUMMARY: The Department is proposing to amend Chapter 24 of the Water Quality Rules and Regulations by revising definitions and passages for consistency with federal regulations and Wyoming Oil and Gas Conservation Commission regulations; clarifying public liability insurance requirements for consistency with Wyoming Statutes (W.S.) § 35-11-313(f)(ii)(O); adding an affidavit filing requirement for consistency with W.S. § 35-11-313(f)(vi)(G); and removing or clarifying financial assurance requirements for consistency with other WDEQ rules and Uniform Commercial Code statutes. Specific information on the changes can be found in the Statement of Principal Reasons.
