Deb -

You do not need to do anything to extend this permit. Extensions are automatic for permittees that have submitted applications in a timely manner.

Good morning Kathy-

Following up to your phone call with Whitney Majetich regarding the renewal of Vaquero Big Horn's WYPDES permit #WY0027731. It is our understanding that the permit is not yet renewed. With an approaching expiration date of October 31, 2021, please confirm that the permit will be extended if not issued by 10/31. Is there any requirement on our end to confirm an extension?

Thanks for the help,

Deb
