**ORDER GRANTING STAY**

The above-captioned matter came before the Council on November 23, 2021. Petitioner Vaquero Big Horn, LLC requested that the Council grant a stay that would allow Vaquero to operate its facility under the terms and conditions of the 2016 Wyoming Pollutant Discharge Elimination System Program ("WYPDES") Permit pending resolution of this appeal. DEQ notified the Council that it does not oppose Vaquero's Request for Stay. Upon review of the pleadings, I find a stay of the permit to be consistent with the Department of Environmental Quality, Rules of Practice and Procedure.

IT IS HEREBY ORDERED that Vaquero's Request for Stay is granted, Vaquero may operate the permitted facility under the terms and conditions of the 2016 WYPDES permit pending resolution of this appeal, and the hearing on the Request for Stay scheduled for January 19, 2022 is cancelled.

DATED this 15<sup>th</sup> day of January, 2022.

  
JD Radakovich, Hearing Examiner  
Environmental Quality Council
