**RE: Bond Forfeiture Recommendation - Twenty Mile LLC, Limited Mining Operation, ET1314**

Dear Mr. Corra:

Attached is the required information relating to the failure of Twenty Mile LLC to reclaim lands affected by scoria mining under Limited Mining Operation (LMO) No. ET1314. Twenty Mile LLC was administratively dissolved by the Wyoming Secretary of State for delinquent taxes.

I have reviewed the supporting information in the attached File Memorandum and have determined that the following performance bonds for LMO No. ET1314 should be forfeited:

\$10,000.00 Certificate of Deposit, issued by American National Bank (No. 8100707)

At this time, in accordance with W.S. § 35-11-421(a), I am seeking approval from the Wyoming Environmental Quality Council (EQC) to make a formal request of the Attorney General to begin bond forfeiture proceedings for the aforementioned bond.

If you have questions, please contact Kyle Wendtland, WDEQ/LQD Administrator at (307) 777-7655 or [kyle.wendtland@wyo.gov](mailto:kyle.wendtland@wyo.gov).

Sincerely,
