

**Wyoming Environmental Quality Council  
Rulemaking Public Comment Period**

At the request of the Wyoming Environmental Quality Council (EQC), the Wyoming Department of Environmental Quality (DEQ) is providing an additional written comment opportunity related to proposed revisions to the Wyoming Department of Environmental Quality (DEQ) Water Quality Rules Chapter 12, Design and Construction Standards for Public Water Supplies, Docket 22-3103. The revisions include new requirements for public water supplies that propose well acidization, updates to water treatment technologies, the incorporation by reference of the Recommended Standards for Water Works, 2018 Edition, and minor corrections made since the chapter was noticed on August 31, 2022. The chapter meets minimum substantive state statutory requirements per W.S. § 16-3-103(a)(i)(G). Individuals with questions regarding the rulemaking may contact Keenan Hendon at (307) 777-7075. Additional information is available at <https://eqc.wyo.gov/Public/Dockets.aspx> under Docket 22-3103 or may be inspected in person at the mailing address below. EQC will consider additional written public comments submitted beginning January 27, 2023, and ending at 5:00 p.m. (MT) on March 14, 2023. Written comments may be submitted via mail to WDEQ/WQD, 200 West 17th St, Ste. 200, Cheyenne, WY, 82002 or submitted through and accepted electronically at <https://wq.wyomingdeq.commentinput.com>. The EQC will only consider the written comments submitted and continue deliberations of the proposed revisions to Chapter 12 at a future hearing. The time and location of the EQC hearing will be provided in a separate notice. **Para español, visite [deq.wyoming.gov](https://deq.wyoming.gov).** *Americans with Disabilities Act: special assistance or alternative formats will be made available upon request for individuals with disabilities. Please provide at least three (3) weeks advance notice for such requests.*
