DISTRICT COURT
9TH JUDICIAL DISTRICT
TETON COUNTY WYOMING

PROTECT OUR WATER JACKSON HOLE,
a Wyoming nonprofit corporation,

Plaintiff,

v.

Civil No. 2024-CV-0019048

WYOMING DEPARTMENT OF
ENVIRONMENTAL QUALITY and
BASECAMP TETON WY SPV, a Wyoming
limited liability Company,

Defendants.

ORDER DENYING MOTION TO RECONSIDER OR AMEND

The Court reviewed the Plaintiff's Motion for Reconsideration or Amendment its Complaint, and finds the Motion should be denied. The Court found the Defendants' Motions to Dismiss to be well taken, and granted them. The Court previously denied a motion to amend, as the proposed amendment would be futile. It would not address most of the bases for dismissal, and proposes to place the Plaintiff in the role of the Teton County Board of County Commissioners—an impossibility.

It is, therefore, hereby Ordered that the Plaintiff's Motion for Reconsideration or to Amend is Denied.

Dated July 30, 2024

Justice Keith G. Kautz, ret.
