

**BEFORE THE ENVIRONMENTAL QUALITY
COUNCIL STATE OF WYOMING**

IN THE MATTER OF THE APPEAL OF 2024)
TITLE V EMISSIONS FEE INCREASE,) Docket No. 25-2601
PACIFICORP, ET AL.) 25-2602

ORDER OF CONSOLIDATION

This matter came before the Council on the Hearing Examiner’s own motion for consolidation of cases appealing from the Department of Environmental Quality’s letter dated December 18, 2024 re: 2024 Title V Emissions Fee Increase.

Specifically, Docket No. 25-2601, Petitioner PacifiCorp; and Docket No. 25-2602, Petitioner Basin Electric Power Cooperative are contested cases pending before this Council. These two contested cases involve common questions of law or fact and appeal from the same letter regarding the 2024 Title V Emissions Fee Increase. Consolidation of these two cases will avoid the expense, delay, and inconvenience of separate hearings.

IT IS THEREFORE ORDERED that the cases listed above are hereby consolidated into Docket No. 25-2601 for all further proceedings before this Council, pursuant to Chapter 2, Section 13 of DEQ’s Practice and Procedure rules. The consolidated action shall be captioned as shown above but only under the single Docket No. 25-2601. The cases will be consolidated in the Council’s electronic docketing system and all previous filings related to the consolidated cases shall be placed together under that docket number.

DATED this 18th day of February, 2025.
