Dear Mr. Rolfes:

The Division has reviewed your application to construct the Medicine Bow IGL Plant, in Carbon County, Wyoming. The Division finds the application to be complete and will proceed with a technical review of the application. It should be noted that this does not preclude the Air Quality Division from requesting additional technical information or clarification at a later date, as deemed necessary.

If you should have any questions you may contact me at (307) 777-7045.

Sincerely,

Andrew Keyfauber
