Topics of concern

*list is complete at this time
matters I may refer to at hearing
I reserve the right to raise other matters
if considered relevant to Mr. Searle*

**Judith Bush
Managing Partner
Bush Ranches**

- 1) impact on our ranch's inherent beauty, which I had hoped would be preserved
impact on our ranching operation, impact on the value of our ranch
impact on potential sustainable multi-uses of our ranch which this operation will curtail,
and which we have taken care at our cost to preserve
- 4) impact on wildlife
- 2) completeness of application
- 4) accuracy of application
- 3) both mining plan and reclamation plan short on details and timeframe, as
is required in rules and regulations governing these matters
- 5) Concerns regarding DEQ's ability and tools to enforce compliance
with regulations on this hugely expanded mine site
- 6) applicant's apparent disregard for protection of topsoil
necessary for reclamation as well as other matters relating to
compliance with DEQ regulations
- 7) reclamation plan does not follow standards set out in rules and regulations
- 7) failure to provide estimates of water required for dust control
- 8) safety, health and quality of life and
preserving what makes people proud to live in Wyoming
