Docket No. 05-3601 Terri A. Lorenzon, Director
Environmental Quality Council

ORDER DISMISSING APPEAL

THIS MATTER comes before the Environmental Quality Council (EQC) on the Parties' *Joint Motion To Dismiss Appeal*. The EQC having reviewed the motion and the grounds therefore, finds as follows:

1. The Parties Third Joint Status Report, filed November 27, 2006, requested the EQC to hold this matter in abeyance pending the expiration of the time period in which an appeal could be taken from Petitioner's renewal WYPDES Permit WY0051985, which was issued on October 19, 2006.
2. The appeal period for Petitioner's renewal WYPDES Permit WY0051985 has expired and no appeal of that permit was filed with the EQC. Therefore, proceedings under this appeal, which relate to the prior Permit WY0051985 are moot, as the prior permit has been superseded by the renewal permit and no appeal of the renewal permit was taken by any person.

IT IS THEREFORE ORDERED THAT the above-captioned appeal is hereby dismissed.

DONE this 12 day of April, 2007.
