**MOTION FOR BOND FORFEITURE**

*Jim Ruby, Executive Secretary  
Environmental Quality Council*

The Department of Environmental Quality, Land Quality Division (DEQ), through the Office of the Attorney General, hereby moves the Environmental Quality Council for an order forfeiting Hettinger LLC's reclamation performance surety bond and as grounds for this motion states the following:

1. Hettinger LLC (Hettinger) holds Limited Mining Operation No. 1412(ET), authorizing it to mine scoria over a ten (10) acre area.
2. Hettinger posted a cash reclamation performance surety bond for the purpose of assuring reclamation of the mining site in the amount of ten thousand dollars (\$10,000.00) via US Bank Check No. 508964277.
3. Hettinger's authorization to operate was suspended on May 10, 2010, for failure to pay taxes.
4. Hettinger filed Chapter 7 bankruptcy on March 7, 2012, in the United States Bankruptcy Court for the District of Delaware, Case Number 1:12-bk-10823.

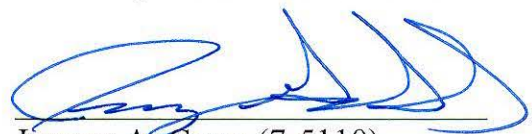

5. Hettinger has failed to demonstrate active mining status and no site-reclamation activity has been observed or reported.
6. Hettinger failed to respond to numerous communications from DEQ requesting information regarding the status of Hettinger's operation.
7. The DEQ issued Notice of Violation (NOV) No. 5156-13 to Hettinger on May 3, 2013, due to Hettinger's failure to reclaim the mining site. *See* Exhibit A.
8. Based on these facts, the DEQ determined Hettinger's reclamation performance surety bond should be forfeited.
9. The Council approved the DEQ's request to initiate bond forfeiture proceedings against Hettinger on September 12, 2013. *See* Exhibit B.
10. On October 14, 2013, DEQ requested that the Office of the Attorney General begin this forfeiture proceeding. *See* Exhibit C.
11. On December 4, 2013, the Office of the Attorney General sent notice to Hettinger by certified mail that the Council would enter an order forfeiting Hettinger's reclamation performance surety bond unless Hettinger demanded a hearing before the Council within thirty (30) days. *See* Exhibit D.
12. The Office of the Attorney General received the notice sent to Hettinger on December 17, 2013, marked by the Post Office as "return to sender." *See* Exhibit E.
13. There is currently no other known addresses at which notice may be served to Hettinger.

14. Neither the Office of the Attorney General nor the Council has a record of a request for a hearing before the Council from Hettinger.
15. WYO. STAT. ANN. § 35-11-421(b) states that if no demand is made by the operator within thirty (30) days of receipt of the notice, then the Council shall order the bond forfeited.
16. Based on the foregoing facts, the DEQ and the Attorney General's Office have satisfied all statutory prerequisites to the forfeiture of Hettinger's reclamation performance surety bond, and the Council should order Hettinger's cash bond forfeited.

WHEREFORE, the DEQ respectfully requests that the Council enter an order forfeiting Hettinger's ten thousand dollar (\$10,000.00) reclamation performance surety bond to the DEQ to be used to reclaim those lands affected by Hettinger's activities under permit number 1412(ET).

DATED this 22 day of January 2014.

**RE: Notice of Proposed Bond Forfeiture for Permits 1412ET and 711(s); Notice of Violation No. 5156-13 & 5157-13**

To Whom It May Regard:

On May 3, 2013, the Wyoming Department of Environmental Quality, Land Quality Division (DEQ) issued Notices of Violation Nos. 5156-13 and 5157-13 to Hettinger, LLC (Hettinger) alleging that Hettinger had abandoned its mining operations without completing reclamation in violation of the Land Quality Rules and Regulations and WYO. STAT. ANN. §§ 35-11-401(e)(viii) and 35-11-415(b)(ix). On September 12, 2013, DEQ requested and received the Wyoming Environmental Quality Council's (EQC) approval to proceed with bond forfeiture for Permit 1412ET. Likewise, DEQ obtained EQC approval for bond forfeiture on Permit 711(a) on November 15, 2013. Both memoranda are attached to this notice. On November 22, 2013, DEQ requested that the Attorney General's Office initiate bond forfeiture proceedings pursuant to WYO. STAT. ANN. § 35-11-421(a).

DEQ now seeks an order from the EQC to forfeit Hettinger's reclamation performance bonds for both Permits: for Permit 1412ET, U.S. Bank Cashier's Check No. 508964277 in the amount of ten thousand dollars (\$10,000); and for Permit 711(s), both Hettinger, LLC company check No. 5142 in the amount of twenty-five thousand one hundred five dollars (\$25,105) and U.S. Bank Cashier's Check No. 789500789 in the amount of eighteen thousand ninety-five dollars (\$18,095). If the bond becomes forfeit, DEQ will use the proceeds to reclaim the affected mine sites in Wyoming.

Pursuant to WYO. STAT. ANN. § 35-11-421(b), the Wyoming Attorney General's Office is hereby notifying you that the bond will be forfeited unless a representative of your company makes a written demand for a hearing to the EQC within thirty (30) days after receipt of this notice.

If you have any questions concerning these proceedings, please feel free to contact me.

Sincerely,

Jeremy A. Gross  
Assistant Attorney General
