was published in said newspaper 4 time(s), the first publication having been made on the 31st day of December, 2013 and the last publication on the 21st day of January, 2014. Notice was published in the regular and entire issue of every number of said paper during the period of time of publication, and that the notice was published in the newspaper proper, and not in a supplement.

Fees: \$666.40

In testimony whereof, I have hereunto set my hand this 21st day of January, 2014.

BME E. Mybrak.

Subscribed and sworn to before me this 21st day of January, 2014. My commission expires August 21, 2017.

PAULA J. RHOADS NOTARY PUBLIC COUNTY OF STATE OF NOTARY PUBLIC WYOMING MY COMMISSION EXPIRES AUGUST 21, 2017

PUBLIC NOTICE

CANYON CONCRETE SAND & GRAVEL LTD, LLC. CODY LUMBER PIT APPLICATION FOR PROPOSED MINING PERMIT

The Canyon Concrete Sand & Gravel LTD, LLC., of Thermopolis, Wyoming has applied for a regular mining permit from the Land Quality Division of the Department of Environmental Quality for the State of Wyoming. The mining permit area for the mining of sand & gravel will be located in:

Sections 29 and 30, Resurvey, T. 53 N., R 101 W., approximately 1,000 feet north of Road 2AB, behind the property at 75 Road 2AB, CODY, WY 82414. The proposed operation is an expansion of the existing mine operation by D.W. Latimer and is estimated to continue until 2052. The land after mining will be returned to a contoured area suitable for future development. The proposed operation is scheduled to begin in April, 2014 and is estimated to continue until 2052.

Information regarding the proposed mining operation and reclamation procedures may be reviewed in the Office of the Land Quality Division of the Department of Environmental Quality in Cheyenne and Lander, Wyoming, the office of Canyon Concrete Sand & Gravel LTD, LLC., in Thermopolis, Wyoming, or the Park County Clerk's Office, Cody, Wyoming. Written objections to the proposed mining operation must be received by the Administrator of the Land Quality Division of the Department of Environmental Quality, Herschler Building, 122 West 25th Street, Cheyenne, WY 82002, before the close of business February 20, 2014. If an objection specifically requests a public hearing before the Environmental Quality Council a public hearing shall be held within twenty (20) days after the final date for filing objections unless a different period is stipulated to by the parties. The Environmental Quality Council or Director shall publish notice of the time, date and location of the hearing or conference in a newspaper of general circulation in the locality or the proposed operation once a week for two (2) consecutive weeks immediately prior to the hearing or conference. The hearing shall be conducted as a contested case in accordance with the Wyoming Administrative Procedures Act (W.S. 16-3-101 through W.S. §16-3-116), and the right of judicial review shall be afforded as provided in that act. All parties as given in W.S. §35-11-406(j) will be mailed a copy of this notice. The Wyoming Oil and Gas Conservation Commission will be mailed a copy of the application mine plan map as required in W.S. §35-11-406(j).

Publish: Cody Enterprise – December 31st, 2013 and January 7th, 14th and 21th, 2014.

Radon testing, education critical in Wyoming

Pecause radon out the seen or smelled, testing is the only way to know how much of the poten-tally dangerous gas is present in homes or workplaces, according to the Wyoming Department of Health

Health an anaturally occur-ring radioative gas that can see from the ground into tuildings. "It gets trapped inside, build-ing in intensity and posing a long-term health risk of lung can-ce," sold Seve Mella, radon pro-gram menager with WDH.

in the sume neighborhood do not," he said.
"Radon has no oder, no color or my other obvious characteristic to make us think about 1s. To know whether threatering levels for madon may be present in your house of the cycumust feet for it. Testing for radon is never in the control of the control in the contr

Melia estimated 35 percent of Wyonning homes have elevated redon lovels.

"This can be true of any home in two sume neighborhood do not." he said.

Radon test kids are a valiable.

Radon test kits are available

tion classes; physicians and other health care providers can earn up to one continuing medical education until by sitending hos-pital-sponsored classes. Junior and senior bigh school sciences teachers may request radon pre-sentations for science and health

Radio test litts are available for \$7.56 of uponingradon, or per sortions for science and health special second test litt froe as long as supplies last. Architects, appraisors and red schate aguits can earn up red schate aguits can earn up the serven confining education units by attending moin often.

Radon has no odor, no color or any other obvious characteristic to make us think about it.
