

Here are the measurements you wanted. All the measurements were taken from boundary to boundary. I have no way of answering the fifth one.

- 1) Distance to Mills municipal boundary - 1347 feet
- 2) Distance to closet occupied dwelling - 881 feet (Natrona) / 1384 feet (Mills)
- 3) Distance to closest school - 1994 feet
- 4) Distance to closest park or recreation facility - 3748 feet
- 5) Distance to closest water well permitted or certificated for domestic or stock watering purposes - ???
