IN RE: THE OBJECTIONS TO CANYON )  
CONCRETE SAND & GRAVEL LTD LLC ) DOCKET 14-4801

**CANYON CONCRETE SAND & GRAVEL LTD LLC EXHIBIT LIST**

COMES NOW Canyon Concrete Sand & Gravel LTD LLC, by and through its undersigned attorney Michael S. Messenger, of Messenger & Overfield, P.C., and hereby submits as its exhibit list the complete file of Canyon Concrete Sand & Gravel's Permit Application and related correspondence and all matters contained therein to and with Wyoming Department of Environmental Quality. Counsel understands this Application constitutes a notebook about five inches thick and contains certain documents which will be relevant to the hearing, particularly satellite photos, resolution and permit from Park County Planning and Zoning Commission by and through the Board of County Commissioners of Park County, Wyoming; permits from various other state and federal agencies and others; other documents relevant to the Objectors' claims.

Canyon Concrete does not have a more complete designation and acknowledges the late filing of this designation because it understood that the Allshouse letter effectively withdrew its comments and objections to the granting of the permit. Apparently that view is not held by the EQC and the undersigned counsel recently learned of that upon returning from a two day road trip. Canyon Concrete respectfully requests that this late designation of exhibits be allowed.

DATED this 11th day of April, 2014.
