RE: Docket No. 2237-91
Flying J Travel Plaza
Cheyenne, Wyoming

Dear Mr. Hemmer:

We received a Notice of Violation and Order in regards to our NPDES Permit # WY0033944 for our Travel Plaza located at 2250 Etchepare Drive, Cheyenne, Wyoming.

This order requires that "no later than 180 days following the date of the receipt of this order, the permittee shall achieve all of the following:

- a. Complete design of a new treatment system to treat the wastewaters currently discharged from discharge point 002;
- b. Obtain from this department a "permit to construct" the system referenced in item a above;
- c. Construct the system referenced in items a and b above; and
- d. Achieve compliance with discharge permit WY0033944."

We have yet to conclude our investigation into the possibility that the existing system could be modified in order to achieve compliance. Part of that investigation requires the opening of the referenced oil/water seperater which would have required the

pouring of concrete in inclimate weather to close it afterward.
Therefore, this has been scheduled for May 29, 1991.

The letter also says that we can appeal this order by filing
a written notice requesting a hearing before the Environmental
Quality Council. Since we would like to finish our investigation,
we are requesting such a hearing.

Your consideration of this request is appreciated.

Sincerely,

Donald W. Rognon
Director of Administration
