Ardelle M. Kissler, Clerk
Environmental Quality Council

IN THE MATTER OF NOTICE
OF VIOLATION ISSUED TO:

DOOR, LTD.
C/O DONALD LAMB
P.O. BOX 3226, UNIVERSITY STATION
LARAMIE, WYOMING 82071

Docket No.: 585-79
586-79
565-79

REQUEST FOR HEARING
AND
APPEAL OF NOTICES OF VIOLATION
AND
CEASE AND DESIST ORDERS

COMES NOW, Door LTD., by and through its attorney, Marilyn S. Kite, and pursuant to W.S. 35-11-701 (c) and Department of Environmental Quality Rules of Practice and Procedure, and requests that a hearing be held before the Environmental Quality Council and that the Council review and vacate the Notices of Violation and Cease and Desist Orders issued in the above entitled matters. In support of its request, Petitioner states and alleges as follows:

1. That all sewer and water facilities constructed in the Indian Hills 1st and 2nd Additions and Alta Vista 7th Addition within the City of Laramie, Wyoming were approved for construction by the Laramie City Engineer and comply with all city construction requirements.

2. That construction is complete on all systems and such systems are in use and functioning efficiently.

3. That "as-constructed" plans and applications for permits to construct have been submitted or are in the process of being submitted to the Water Quality Division, Department of Environmental Quality.

4. That the act of construction, which was the alleged violation, has ceased; and that any cease and desist orders are unnecessary and moot.

Therefore Petitioner requests a hearing before the Council and a vacation of all orders previously issued.

DATED this 6th day of September, 1979.
