Dear Ms. Killean:

As you are aware, the application by Rissler McMurry for a small mining permit was remanded to the Department by the Environmental Quality Council. After remand, we asked Rissler McMurry to address the issues raised in the designation by the Council that the area was Rare and Uncommon. The Company has responded, and we are reviewing that response.

Regarding the Rare and Uncommon Designation, the Council finalized their order some time ago, and a copy is enclosed.

Sincerely,

  
Dennis Hemmer  
Director
