Re: Notice Of Violation and Order, Docket #2328-91

Dear Sir;

The purpose of this correspondence is to issue a formal Notice Of Appeal and Request for Hearing relative to the above matter. The company does not dispute what we understand to be the main objective and intent of the Notice Of Violation and Order but rather would like the opportunity to discuss with the agency some incorrect, alledged factual information and methodology and corrective measures suggested in the order. To this end, we would like to set up and informal meeting as soon as possible to discuss this before the final Order is entered.

Sincerely,

Mike Kenefic
