COMPANY, TFN 2 6/247)

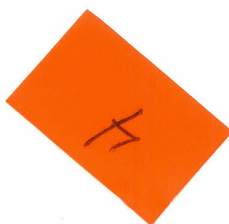

ORDER TO SHOW CAUSE

The Environmental Quality Council (the Council), on its own motion, is considering remanding the above-entitled case to the Department of Environmental Quality for further evaluation of the proposed small mine permit application as the Council has recently determined that the area to be mined by the Applicant, Rissler-McMurry, is rare and uncommon and has particular scenic, surface geological, archaeological, historical, wildlife, or botanical value.

All parties to this case are hereby required to show cause before the Council at the City Council Chambers, 200 N. David, Casper, WY 82601 at 10:00 a.m. on May 4, 1992 why this small mine permit application should not be remanded to the Department of Environmental Quality for further consideration.
