

STATE OF WYOMING
BEFORE THE ENVIRONMENTAL QUALITY COUNCIL

IN THE MATTER OF)
THE APPLICATION OF)
RISSLER-MCMURRY FOR)
AN AMENDMENT TO LAND)
QUALITY PERMIT #461)

Docket No. 667-80

ORDER

The Environmental Quality Council hereby orders that the above captioned permit amendment be granted with the following requirements:

1. The crusher be situated within the pit area and be limited to a jaw or impact crusher type unit.
2. Operations be conducted in accordance with all conditions outlined in the Council's order dated August 1, 1977 relative to Docket No. 205-76.
3. Crushing operations be limited to sixty (60) calendar days per year.
4. The use of lights for maintenance or repair purposes be allowed if positioned away from adjacent occupied homesites.

So ordered this 23rd day of July, 1980.

Lee E. Keith
