Comments and Responses

General

Entity: Lorie Cahn, Water and Waste Advisory Board

Comment: Ms. Cahn pointed out a number of typos requiring correction.

Response: WDEQ/WQD made the requested edits.

Section 55(c)

Entity: Lorie Cahn, Water and Waste Advisory Board

Comment: Ms. Cahn noted the daytime criterion for BOD contains a plus sign which is confusing. Ms. Cahn requested that the division investigate the criterion and edit as appropriate.

Response: WDEQ/WQD researched the issue. The original rule from 1984 listed the criterion as “10.0” and not as “10+.0” The error has been corrected.
