RE: Request for Hearing Regarding January 9, 1981
Notice to Cease and Desist

Dear Ms. Lorenzon:

On January 16, 1981, I requested a hearing before the Environmental Quality Council on behalf of The Great Western Sugar Company with respect to a Notice of Violation and a Cease and Desist Order issued by the Land Quality Division of the Department of Environmental Quality.

I have been advised by Mr. Weldon Caldbeck of the Wyoming Attorney General's office that the State no longer considers Great Western to be in violation with respect to this matter, and, therefore, the Cease and Desist Order is not necessary. The State's position obviates the need for a hearing; accordingly, Great Western hereby withdraws its request.

Sincerely,

George E. Clough
General Counsel
