**BEFORE THE
ENVIRONMENTAL QUALITY COUNCIL
STATE OF WYOMING**

IN THE MATTER OF WYO-BEN, INC.,)
REQUEST FOR RENEWAL OF INTERIM) DOCKET NO. 05-4401
MINE STABILIZATION, TFN 4 2/200)
PERMIT NO. 321C)

ORDER

On May 6, 2005, Wyo-Ben, Inc., Permit No. 321C, TFN 4 2/200, requested a renewal of its interim mine stabilization permit through the Department of Environmental Quality (DEQ). On July 27, 2005, DEQ filed Wyo-Ben's request with the Council. DEQ appeared before the Environmental Quality Council (EQC) at a public meeting on September 14, 2005. DEQ stated that all required criteria has been satisfied.

The EQC having reviewed the reviewed the record and being fully advised in the premises finds that Wyo-Ben's second request for interim mine stabilization should be granted.

IT IS HEREBY ORDERED THAT:

The request to renew Wyo-Ben Inc., Permit No 321C, TFN 4 2/200 is hereby approved.

DATED this 5th day of OCTOBER, 2005.

Mark Gordon, Chairman
ENVIRONMENTAL QUALITY COUNCIL
