Subject: Proposed Rules for Chapter 24
Department of Environmental Quality, Water Quality Division

Date: March 28, 2016

Priority: **HIGH** – Deadline for response is April 11, 2016

Summary: The Department is proposing to amend Chapter 24 of the Water Quality Rules and Regulations to incorporate federal regulations for carbon sequestration for financial assurance, incorporate federal and state statutory conditions for conversion of other class wells to Class VI wells, incorporate conditions for a waiver of the requirement to inject below the lowermost underground source of drinking water (USDW), and correct grammar and punctuation errors. Specific information on the changes can be found in the Statement of Principal Reasons.
